

FY25 Missouri Lottery Proceeds Appropriations

Since 1986, the Missouri Lottery has contributed more than \$8.2 billion to the state of Missouri and public education. Annual Lottery contributions comprise 4% of the state's funding for public education – an effort shared by local, state and federal governments.

For fiscal year 2025, more than \$537 million from Lottery proceeds have been appropriated to Missouri's public education programs by the Missouri Legislature through House Bills 2002, 2003 and 2006 from the Second Regular Session of the 102nd General Assembly.
